(ESTABLISHED 1837)

LIFE ASSURANCE.

THE DISTINCTIVE SYSTEM of this Institution offers the substantial advantage of With-Profit Assurances at rates differing little from those usually charged for Non-Profit Policies.

The **Whole Surplus** goes to the Policy-holders on a system at once safe and equitable. The immediate assurance for the premium payable being exceptionally large, the surplus is reserved exclusively for the policies of those members who prove to be good lives.

Waverley Works, Blair Street, EDINBURGH.

DEAR SIR OR MADAM,

This leaflet may interest you because it relates to the most famous pens in the world—the Boons and Blessings—the renowned Pickwick, Owl and Waverley. The reason for their popularity is twofold. They, especially those of the Waverley pattern, have an enticing, resilient action and smoothness which make writing easy and pleasant, create no fatigue and no strain. Again, they provide that high uniform standard of quality which we are pleased to know has been so long associated with the name “Macniven & Cameron.”

All the kinds, Turned-up, Oblique, J Pens, etc., are made of highest grade metals only, and every pen issued is individually selected as being perfect by trained hands.

Every one desires to write well, free from the annoyance of scratchy, unsuitable nibs. All parents delight to see their children acquire a good hand. Therefore don't buy pens in a haphazard way but keep this little list for reference. Should you desire to see our larger, more complete Catalogue we shall be pleased to send it on hearing from you.

To enable a suitable choice to be made, boxes of assorted kinds—6d. and 1/—containing 24 and 48 pens respectively, are sold by Stationers everywhere.

Respectfully yours,

MACNIVEN & CAMERON, LTD.

PREFATORY NOTE.

THE PROPRIETORS of the 'POST OFFICE EDINBURGH AND LEITH DIRECTORY,' in issuing the One Hundred and Fourth Edition of the annual publication, take this opportunity to bring before the notice of their Subscribers, and the General Community, some very important features in the book.

An endeavour has been made to increase the scope and usefulness of the Trades Section, by introducing illustrated block entries, which we trust will be well supported by the Commercial public. To allow space for these and other improvements, which we hope shortly to make, some of the less important matter has been expunged from the Streets Section. In future, as far as possible, it will be our aim that the names only shall appear in the streets; the fuller entries in the General being sufficient for purposes of reference. In the Trades Section 'Auctioneers and Appraisers,' hitherto classed together, have been separated, each now having a distinct heading; Publishers, as distinguished from 'Booksellers and Stationers,' have been similarly dealt with; also, Pharmacists have been transferred to the Medical Section. The County Section has been brought forward from the end of the book, and will now be found after Portobello and Joppa.

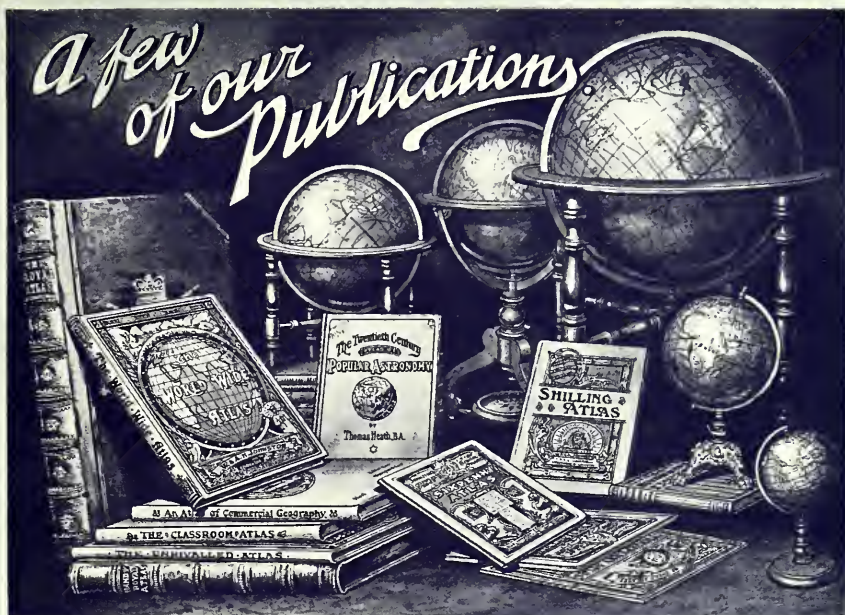

The Proprietors desire to express their gratitude to the public for the unflinching and liberal support accorded to them from year to year, and also to the gentlemen connected with the various Public Institutions and Societies who revise and add to the Miscellaneous Section.

Notwithstanding the amalgamation of Portobello, and other outlying districts, with Edinburgh, these places are still treated for Postal purposes as formerly, and are not included in the ordinary deliveries from the General Post Office.

Every effort has been made to ensure accuracy, but the Proprietors do not accept responsibility for errors or omissions.

* * * All communications on Directory business addressed to the EDITOR, POST OFFICE DIRECTORY OFFICE, 15 St. James' Square, will receive careful and prompt attention.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the *Blank Space* must be used for January and February in every Leap Year; and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century. For example:—"The Letters were arranged thus, E D C B A
